is our exclusive and direct Partner for the distribution and technical consultations covering the full range of products provided by PAGEL SPEZIAL-BETON GmbH & Co. KG on the territory of the Russian Federation. The AO "ASOKA" former (ZAO "ASOKA") uses this privilege already for more than 18 years.

The AO "ASOKA" keeps a staff of experienced technical specialists that support PAGEL customers - planners, engineers, construction managers and workers - in theory and practice in the application of PAGEL-Technology and PAGEL-Materials.

The AO "ASOKA" maintains a well-stocked warehouse in Moscow (Perovo) and can provide short-term delivery of most of the demanded PAGEL-Materials.

In addition, AO "ASOKA" secures the financial risks of PAGEL clients with its liability insurance with the AO "SK Allianz" insurance company, Moscow. The sum insured equals 10.000.000 Euros a year, and up to 3.000.000 Euro, are available for one single incident, that is liable for insurance compensation.

Since 2017, in a joint operation with the AO "ASOKA", PAGEL SPEZIAL-BETON GmbH & Co. KG has organized the production of a choice of special grouts adapted for the Russian market, in order, to serve the Russian customers with an even broader range of PAGEL-products. This high quality products are branded "ASOKA PR" products.
